\*Some restrictions may apply. All prospects must be new resident to the community, and must relocate an approved home, or close on the purchase/lease of a Sun Home's model for the referral fee to be payable. Residents must be current with all rent owed to the community, Sun Communities and/or Sun Homes in order to receive referral payment. If there is a balance due, the referral fee will be applied to unpaid balance and will not constitute a partial payment. Purchasers must buy a Sun Homes model valued at \$10,000 or greater in order for a sales referral to be payable. For payment option over 12 months, referral fees will be divided by 12 to calculate monthly site rent discount. This offer can be changed, or terminated, at any time without notice.
